PCI Wifi Adapter has 0.5ish mbps speed

2020/08/22

Greetings Everyone, Let me start with the specs of my PC: CPU Ryzen 1600 Mobo Gigabyte AORUS AX370 Gaming k5 Ram: Corsair Vengeance lpx 8gb DDR4 2400Mhz CL16 SSD: Samsung 860Evo 250gb HDD: Seagate Barracuda 7200rpm 2TB GPU: Gigabyte pascal gtx 1050ti (Single Fan) PSU: Corsair CX550w Case: Antec P8 (Tempered Glass) Wifi PCI express card: TP link TL-WN881ND V2 Speakers: Logitech z120 Mouse: Dell MS116t Keyboard: TVS Gold bhara UPS: APC BX600 Wifi Router: TL-WR841N Internet Plan: 15mbps My PC is on ground floor and my wifi router is on First Floor. Distance between my PC and Wireless router is approx. 16feet (4.9 metres). The only interference between the Router and the PC is Slab between the floors. My Laptop and My Smartphones both have consistent 13 to 15 mbps speed (tested on speedtest.net) both on First floor & Ground floor (Where my PC is). Problem: In my PC I get close to 0mbps speed (Even though I installed the latest Wifi adapter driver from the TP link website) I think that it has something to do with the PCI card Antennas, because: 1. When the Antenna is fully screwed to the card I get Nil speed, but when I loosen the antenna (By unscrewing little bit) and run the speedtest, I get 2 results: i) Same 0mbps speed ii) 13 to 15mbps (This happens after great trial and error of making the antennas just rightly loose or by applying little downward pressure on it) After accidentally moving the antenna, it malfunctions again and now if I adjust it to the same previous position, it doesn't regain its speed rather, I have to trial & error adjust the antenna again in different positions 2. I inserted the PCI card on other slot and the results were the same. So anybody knows the fix for the antenna problem or some advice, Please comment. Thank you in advance

mobile phone and wifi jammer

Product details product description it is really an annoy thing if other parts of a mobile phone jammer is good but only the antenna is broken, novelty cell phone

blocker device, audio recorder jammer blocker, get more information about cell phone jammer kit diy by visiting this link.
